SCHOOL APP INFORMATION

Collinsville Public Schools is proud to announce the launch of our **school's official mobile app**. This app is completely free to download and use. This app has easy access icons for school employee and board members' contact information, sports' schedules, lunch menu, Wengage, the school calendar, and links to the school website, school policy book and some individual teacher websites and videos such as CollinsvilleCardinals.tv and The Situation.

To download, go to www.myschoolway.com/collinsville from any smart device.

Parents: After you download the app, be sure to turn on notifications for your child's school so that you will receive announcements that are sent out. You can also subscribe to athletic notifications for any sport that pertains to you or your child. Teachers and coaches are in the process of creating their own pages, which will be listed within the courses or athletics icon. Your child's teacher/coach will notify you if and when they have a page for you to subscribe to.

Students: Download the app and turn on notifications for your school and any sport/course/teacher that pertains to you.

When you download the app it will ask you to register. You can skip this step if you want. Once you choose Oklahoma and Collinsville School District this will be saved and it will automatically open up to our school every time.

You can also go to your app store and search SchoolWay. You can download it from an iPad but you will have to click on iPhone only apps for it to show up. There is also a desktop version of the app for those who don't have a smart device. Just click on the above link and download the web app. -- Missy DeLozier

TOBACCO FREE ENVIRONMENT

State Law and Collinsville's School Board Policy (2.6) state all campuses and facilities are to be tobacco free. This pertains to all forms of tobacco including, but not limited to, e-cigarettes, vaping devices, and chewing tobacco. This regulation applies to employees of the school district, students, and visitors. This regulation also applies to all public school functions (ballgames, concerts, etc.) and any outside agency using the district's facilities, including stadiums. This regulation is in effect 24 hours per day, seven days per week.
