SPRING TEST SCORE INFORMATION

Parents will receive results from the spring 2017 exams in late November. This year is a complete reset and should not be compared to previous results. Students in grades 3rd through 8th last year took new tests that are fundamentally different from years past. The assessments measure more complex standards, and the performance levels were also raised and redefined.

Education Day at El Jalapeno Grill

Monday, November 13, 2017

On Monday, November 13, the El Jalapeno Grill will offer a "Dine and Donate" experience to the general public. For each guest dining at El Jalapeno on this date the restaurant will donate 20% of their check to the Collinsville Education Foundation. The money raised by this fundraiser will go for grants for the teachers of the Collinsville School System.

A huge thanks to the Perez family, owners, who have continually supported the CEF since opening their doors 11 years ago.

We hope you will patronize the El Jalapeno Grill on this special day and at the same time support the efforts of the **Collinsville, Education Foundation.**

Thank you for your support!!!!!!
