

## 2013 SHOWCASE

Our showcase was created in order to give X-Athletics as well as other cheer-leading groups the opportunity to get routines on the floor in a non-competitive environment. It was also created in order to continue to offer scholarships and financial assistance to families .

**Saturday Nov. 23rd**

**Collinsville High School**

**Collinsville Oklahoma**

**\$12 per Athlete**

**\$5 for Spectators**

**XA Showcase Silent Auction**- We are asking that each team attending the Showcase, create a basket to auction off. The Baskets can be filled with whatever you want, or have a theme ( i.e. Night Out on the town – Movie gift card, popcorn, dinner gift card etc.) Collecting donations from your team parents is the easiest way to do it! We will need a print out or card explaining what items are in the basket and their estimated value. The basket with the highest bid will be Awarded Best in Show!

Professional Photographer to do team/individual pictures  
\* Each Athlete gets an event T shirt \* Marketplace- with Bows, Hot Pants, and Sports Bras

## Showcase Coaches/Owners Information

**Date :** Saturday, Nov 23rd 2013

**Location:** Collinsville High School, Collinsville OK

**Time :** Approx. 10—2 ( this is a total estimate based off of the number of teams)

**Entry Fee:** \$12 per athlete \* if they want to receive a T-shirt, they have to be a registered

**Spectator Fee :** \$5 Per Person

**Mission of XA Showcase**—The Spirit of our event is to provide a setting for your cheerleaders to get into uniform and get their first “performances” on the floor. If your teams is wanting to come and go “ full out” then please come do it. If they want to show what they have mastered right now, and hold off on sections, that’s totally ok too! We want this event to be a tool in getting ready for your season.

**Warm up plan-** We also want this event to be as stress free as possible. We will be using 1 full spring floor ( 9 mats) and 2-4 additional Flat mats. We are planning on warming up all teams prior to opening up the doors. We expect this to take place between 10-noon. Depending on how many teams will compete, we will then offer 1 or 2 additional tumbling warm up times for the level 3 and 4 teams so that their skills are warm before they hit the floor. Collinsville high school is a great size for this event, but it doesn't allow for a second location for a full warm up. Crossovers will have plenty of time to get to their additional teams.

**Photographer**—We will have a photographer set up during the event. The photographer will be doing team pictures “( each team will be assigned a time) and individual pictures throughout the day. Parents will be able to order pictures directly from the photographer.

**Seniors**— If you would like to recognize your senior /graduating athletes please let us know. We will be doing this for our X-Athletics Seniors.
