SUPERINTENDENT'S MESSAGE

Greetings from Collinsville Public Schools! I hope this finds you and your family doing well as we embark on the last few weeks of 2014. I wanted to take this opportunity to thank our Collinsville Education Foundation as they issued grants to 49 different teachers throughout the school district. The total for the grants was \$23,627.26! As a district, we are so very grateful for these grants and all that the CEF does for our teachers and students. As one of their fundraisers, the CEF has teamed up with the El Jalapeno Grill in Collinsville as the restaurant hosts "CEF - Education Night". The Perez family (Tony and Rosa) generously donate a certain percentage of all sales for the entire day to the CEF. This past Monday was this year's version and, as always, it was a great day. Even more remarkable, the Perez family ended up doubling the amount that was generated! Thank you so much to everyone that came out and took place in this event and a special thanks to the CEF and the Perez family!

Please have a safe and wonderful upcoming Holiday season...I hope your family has a great Thanksgiving, a Merry Christmas, and super New Years! Thank you for giving us the opportunity to be a part of your child's educational experience!
- Lance West
