Rounds will start at 9:00, 10:00, and 11:00. They will start calling awards for the 9:00 bracket shortly after the 11:00 rounds start. In the past, they have been finished with all of the competition and awards by 12:30 or 1:00. We will leave to eat at Mazzio's after the last award is given to our athletes. (Do not send money)

- Families need to sit in the stands to avoid unnecessary confusion down on the field. We will be on the WEST side of the field.
- Players need to remain at their court until the conclusion of their bracket. It helps them stay on schedule if they don't have to hunt down players for each match.
